

Dear Friends,

It's time to get back together! Presumably most/all of us have been vaccinated, our churches are starting to meet again, and life is returning to normal - we hope. The Board has discussed this, and feels that this is an appropriate time to gather.

We have chosen Sunday afternoon, August 8, 4:00 p.m. as a good time. We will be at All Saints' Lutheran Church in Browne's Addition, with Nisha Coulter as host. We will have lots of music to peruse: a new member, Carol Marx, is donating music to us, as is Suzanne Montgomery. It will be such fun to be together again, and looking at music is always such a temptation - in a good way, of course!

Northwest Organ, the Allen dealership, is going out of business - they have some organs for sale at a reduced price - do check them out. This is very sad, but Ron's son, who lives in Los Angeles, does not feel he can run the business from there. If you have any questions, call Kent Brocklebank at (509) 879-8227.

EMPLOYMENT OPPORTUNITIES:

In other news, Karen Hawkins has been serving as organist at Coeur d'Alene United Methodist Church, but their service times have changed, creating difficulties for her schedule. She is looking for someone to replace her, or to think about job-sharing. Karen's number is (509) 570-4484.

Floyd Czoski is hoping to reduce his workload at Beautiful Savior Lutheran Church on the South Hill, and is looking for someone to direct the choir. Call him for more information: (509) 768-1131.

I hope this little letter finds you all well. Summer is flying fast - it's been a very warm one, but I still think it's better than snow!

Can't wait to see you all!

Janet and Carolyn
